No. 1, 3, 4.) Probably, as of Houſes that were then ſuppoſed to have been forfeited, as given to ſuperſtitious Uſes; ſo that he afterwards took a Leaſe of them from the Pariſh, *December* the 18th, 1591, 33 of *Eliz.* (Pariſh Writings, A. In the last Sermon published by Dr. Denne, (of those Sermons which had been preached at this Lecture) In the Dedication to Cornelius Wittenoon Esqr. he says,

"Sir

"Having in my Preface to the last Sermon I printed on the like "Occasion, informed the world of a Design then on foot, to make by "a Voluntary Subscription such an Addition to Mr. Fairchilds Legacy "of 25 Pounds, as may afford a generous recompense to the Preachers "of his Lecture, for their trouble and expense; I ought in justice to de= "=clare, that it is now so far perfected, as that 100 pounds Capital Stock "in South Sea Annuities has been purchased: and is so settled, that y^e^ "yearly produce thereof shall be solely applied to this Purpose; as like= "=wise that (after the Decease of the Principal Parties concerned "herein) this Stock shall be transferred to the President, Coun= "=cil & Fellows of the Royal Society, as being the most proper "Persons, in whom to repose & perpetuate a Trust so suitable "to the very end of their incorporation, that of y^e^ promoting the "Knowledge of Natural Things to the Glory of God, & the Good "of Mankind: for which reason also, the President & Council "will then have the sole nomination & Appointment of the "Preacher.

"And now Sir, a Justice no less obliges me to make the "Acknowledgements that are due to those Gentlemen, by whose "Subscriptions this excellent Design has been perfected; Give me "leave not only to convey them thro' your hands, but to address "You as the first Mover in it, as well as the most generous "Contributor to it. ——

In a Room on the South Side of the Altar of The Parish Church of St Leonard Shoreditch, is a Library, left by Will (bearing date Oct. 14. 1763) to the Vicar of the said Parish for the time being, and his successors for ever, by John Dawson of Hoxton-market place. The Books are mostly bound alike, together with a Catalogue of them, written by himself. They are in number 870, and cost him £300.16.0; He was 51 Years in Collecting them, viz. from 1710 to 1763. ..... v. the Catalogue of them in my possession. –
